March 2010 🎵 Volume 9 🎵 Number 1

*"I think music in itself is healing.  
It's an explosive expression of humanity.  
It's something we are all touched by.*

*No matter what culture we're from, everyone loves music."  
~Billy Joel*

## Spring Recital

Our recital is held on Saturday April 17. The formal recital will take place at the Brentwood Community United Methodist Church at 809 2<sup>nd</sup> Street. In order to keep the length of the recital less than an hour, there are two performance times, 4:30 and 5:45pm. Please let me know if you prefer a specific time.

## Summer Music Camps

Although this may seem early to start thinking about summer camps, many offer early bird specials. These camps employ highly qualified music educators and directors. Your child will come back with great friends and an appetite for creating quality music, which leads to more practice and a higher level of dedication. I highly recommend each of these three camps!

**University of the Pacific** (my alma mater!) holds an exceptional music camp. Campers stay in the dorms. Great way to whet your child's appetite for college!

**Stanislaus State University** holds another exceptional camp program. Campers stay in luxurious dorm rooms. Fabulous music program. (My brother is a woodwind coach there!)

**Cazadero Music Camp** Located in the beautiful Russian River in Sonoma, campers are in a real camp setting.
